

**CASS Professional Services (CPS);
Commercial Aircraft Ferry/Movement Service**

Now Recruiting for Captain Positions

CASS Professional Services (CPS) will conduct an international commercial Aircraft Ferry/Movement Service to move customer aircraft. Customers are companies that buy/sell/lease primarily large, commercial aircraft.

CPS will operate this service in accordance with FAR Part 91.

Approximately 50% of the movements will be to/from overseas locations with all variants of the B767/B757, B737 and A320.

We are recruiting recently retired (and still landing current) or about to retire Captains that are currently qualified in the B767/757.

If interested, please email a resume with contact information to all three email addresses below and the company will schedule a follow-up telecon to provide more information and answer questions; cfranklin@cass.aero, dcestari@cass.aero, rpackard@cass.aero
