Vocal Solo with Piano Accompaniment

Words and Music by Ruth Elaine Schram

ON THE SHOULDERS OF GIANTS

We have worked, we have played,
We have learned along the way
that the world awaits, the world awaits.
You have shown by your example;
we have grown till we can say,
that we face the future unafraid.

We will live our dreams, thanks to you.

We believe in ourselves;
there is nothing we cannot do.

On the shoulders of giants, we have come this far.
On the shoulders of giants, we have reached for the stars.

You have given us the tools
to make our dreams come true.

We are ready to go.

We will take all that we know
and we won't forget, we won't forget.
Everything you shared and taught us,
all the help you freely gave;

We can say goodbye without regret.

We will live our dreams, thanks to you.

We believe in ourselves, there is nothing we cannot do.

On the shoulders of giants, we have come this far.

On the shoulders of giants, we have reached for the stars
You have given us the tools to make our dreams come true.

We will live our dreams, thanks to you, thanks to you, thanks to you.
