The Grand Canyon Caverns is located along Route 66 in Northern Arizona. These are the largest dry caverns in the United States, located 200 to 300 feet below the surface, and accessible via our exploration elevator. Located in the middle of 3,000,000 acres of the most unspoiled land left in the world, we offer clean air, clear skies, open prairies, and a refreshing change of scenery from the urban world. We feature cavern tours that are easily accessible along paved walkways with handrails and for the more adventurous, off-path 'Explorers Tours'.

When we all camped in the 1950's and 1960's campgrounds always offered a nice picnic table and fire ring [weather permitting] with the gift of some space and privacy. That's what Grand Canyon Caverns RV park and campgrounds offers to today's outdoor enthusiasts. RV and camping guests have full use of their outdoor swimming pool, disc golf course and miles of nature trails right on our 800 acres. You'll enjoy a great stay on top of our amazing caverns which are right below you and accessible by elevator in the caverns building a short walk from your site.

There's Great opportunity to take pictures and shop around for souvenirs in the Famous OK Saloon Gift shop. It is filled with all kinds of antiques from the area's "old west" past as well as many animals that are indigenous to the area. Located just outside is the old Arizona Territorial Jail whose walls once corralled such notorious outlaws as Seligman Slim, Four Fingered Frank and the legendary Carl "Curly" Bane. Standing next to the Jail is a replica of some old west store fronts that have been the background for many commercials and documentaries filmed in the area. Stop in and have a great time with us!! You kill it we grill it!!!

The Store opened in 1934 on the new alignment of Route 66 that was built on the north side of the railroad and bypassed the small town. It had a Conoco gasoline station and remained in operation until the Interstate bypassed this section of Route 66 in 1978.

There is a lot to see when you visit the store.

There are many vintage cars outside it, from the "good old days" of the Mother Road. The place is full of gadgets, signs, mementos, billboards and artifacts from the 1940s through the 1960s. It is a virtual journey through time to stop at the shop. The interior of the store has all kinds of Route 66 souvenirs so you can pick your choice.
