A LITTLE ABOUT YOUR CAMP INSTRUCTORS...

Melissa Alderliesten

Melissa began dancing at the age of 3 and danced competitively for 14 years out of Edmonton, Alberta. She not only trained in dance but extensively in acting, singing, choral groups and musical theatre. She is currently on her 16th year of teaching with over 17,000 hours of experience. She has trained through A.D.A.P.T., R.A.D. and Checchetti syllabuses obtaining her Intermediate Certificate (formerly Elementary). She continued to train in Advanced 1 and Advanced 2 Checchetti as well.

Melissa attended one year at The Edmonton School of Ballet Teacher Training Program. She has 2 years of composition, contemporary, ballet and jazz, graduating with Honours in Dance IB from Victoria School of Visual and Performing Arts. She has furthered her learning, taking classes in Horton, Graham and Alexander Modern techniques and has also taken classes from Les Grands Ballet Canadien de Montreal, Brian Webb and at the Edge in Los Angeles. She was also with 3rd Street Beat for 3 years training in hip hop, popping, locking and jazz funk styles. Most recently Melissa has acquired her Acrobatic Arts Module 1 certification with intentions to acquire Module 2 in the summer of 2018.

Her performance resume includes the opening and closing ceremonies of the 2001 IAAF World Track and Field Championships and other notable events in Saskatoon, Calgary, Portland, Miami and Las Vegas. At the age of 16 she was awarded a scholarship to Sarasota International Intensive Ballet Program in Sarasota, Florida.

For the past twenty years, Melissa opened and successfully ran her own studio for 5 years in Lamont, Alberta and moved over to teach at Smoky Lake School of Dance for the past 15 years. Her dancers have gone on to dance professionally with The Source after completing the Harbour Dance Center Intensive Training Program. Some have also traveled to Germany to compete in the World Championships of Dance. Her graduates are also dancing with MOD Performance Program at the University of Alberta and some have won numerous scholarships to conventions including Rocky Mountain Dance Project, Be discovered, Wanna Dance, The Edge and many monetary awards.

Melissa has won countless choreography awards including Top Choreography at Wanna Dance and Top Choreography at Showtimes Evergreen competition.

Melissa believes every dancer has a place. Her goal is to pass on her passion for dance so that the student is not just telling a story, but telling **THEIR** story. She is so excited to be teaching at FACES this year and cannot wait to meet everyone!

EMILY PUGSLEY

Emily has had a passion for dance her entire life. She began her lessons at the age of two in Oliver BC. There she trained in ballet, jazz and musical theatre styles. Emily began attending ballet competitions at the age of 9, through Penticton School of Dance. When Emily moved to the North Shuswap at age 10 she was enrolled in Nuance Dance Studio. She continued her training in Ballet, Jazz, Lyrical and Contemporary under the guidance of Regina Bittner-Rothbart, Kristen Pickell, Lucy Saunders and several other instructors.

Throughout high school she played lead and background roles, in multiple acting and musical theatre performances. In Emily's grade 12 year she began working as a student teacher for Regina and got her first teaching job at the original FACES location in Blind Bay. After she graduated high school, she moved to Kamloops where she continued teaching for various studios. Adding to her impressive resume, Emily recently did some background acting work for the upcoming Power Rangers film.

Emily is currently in training to become a certified Barre Fitness instructor, another dance/workout form that she hopes to bring to her current teaching position. She is looking forward to attending dance intensives and conventions in the near future to further her knowledge and creativity with dance. Emily is excited to bring her love of dance to FACES which fosters a fun yet well-structured learning atmosphere, in which students are welcomed to express their individuality through dance.

JAIME BROWN

Jaime was just 8 years old when her mom first took her to a local dance class and she hasn't looked back since. She has competed in numerous dance competitions and has attended numerous dance conventions to further her knowledge during her career as a dancer. Jaime started teaching when she was 15 years old and continues teaching to this day. To date, she has attended conventions in New York City, Montreal and Vancouver and is eager to share her funky hip hop instruction with FACES students.
