Biography

Peter John von Oeyen of Bad Axe, and formerly of Harbor Beach, unexpectedly passed away April 2, 2025, at the age of 67. He has joined in Heaven his parents, Rev. Robert R. and Janet A. von Oeyen, and his sister, Barbara Joy von Oeyen. After completing high school in Harbor Beach, Peter received a full scholarship to attend Alma College, graduated with honors, and subsequently took engineering courses at the University of Michigan. Peter enjoyed working with people and appreciated for many years living on the shore of Lake Huron tending pets and the hummingbirds, observing wildlife and the view of the lake, and especially sailing with his family. He frequently supplied the firecrackers at the traditional von Oeyen family "Birch Bank" Fourth of July celebrations. Peter was a sensitive soul who was always a strong advocate for the underprivileged and the forgotten and was especially concerned about the recent direction our country is going and the increasing disparities between the have-nots and the privileged few. He was a strong supporter of Universal Healthcare, Democracy and Voting Rights, Environmental Protection, and a more equitable distribution of our abundant resources to meet the basic needs of everyone. The recent changes in this country enabling the greed of the politically powerful and their disdain for "the others" profoundly troubled him. Peter was a person of strong Faith, and believed as Jesus has exhorted us, to bring the values of Love and Respect for all individuals to this world, and not just wait to look for them in the next. Peter, may you be at rest in God's Love at last!
