

## Geometry Course

**Mr. Ray Ranzau**

**Course Description:** Geometry is a preparatory course for Algebra II. This course will introduce the student to points, planes, quadrilaterals, triangles, rhombuses, trapezoids, geometric solids, geometric proofs, congruency, similarity, and logic.

**Supplies needed** are a spiral notebook for notes, a calculator, red pens, sharpened pencils, graph paper, a compass, a protractor, and a ruler.

**Book :** Tutor in a Book's Geometry, by Jo Greig

This book may be purchased on Amazon for \$26.93 (paperback)

**Prerequisite:** Pre-Algebra and Algebra I

**Homework** There will be weekly homework that may take up to 4 hours per week to complete. Tests will be given periodically. Google classroom will be used to upload and download packets as necessary. If students do not have access to the internet, then arrangements will need to be made for the assignments.

**Supply Fee:** The one-time supply fee is \$25.00 non-refundable.

**Tuition Fee:** The tuition fee is \$50.00 per month. Please make checks payable to Ray Ranzau, due on the first Friday of each month. I may be reached via email: [judethaddeus73@gmail.com](mailto:judethaddeus73@gmail.com)

**God Bless YOU** and have a great day!
