April 17, 2014

Dear Volunteers,

On behalf of the members of the Freedoms Foundation Board of Directors, staff, and associates, I extend our sincere gratitude to all for volunteering your time to help with the Medal of Honor Grove cleanup that took place on April 13, 2014. The winter season was not kind and it is amazing how much work got accomplished on that day.

Thanks to your interest in the Grove and the outpouring of support from contractors, individuals and groups from throughout the area, the Medal of Honor Grove continues to be a fitting tribute to those veterans who often times made the ultimate sacrifice to defend our country. The Freedoms Foundation knows that the task of maintaining the Grove would be impossible without the assistance from the Friends of the Grove and yourself.

With many thanks,

Michael E. Di Yeso
