ATTENTION EXHIBITORS

FREELANCE PHOTOGRAPHY NOTICE

We want to continue to include the freelance photography community to capture the competitors during the events in Orlando and we request these procedures be followed in advance of attending.

There are official photographers that the clubs secure rights to photograph all win shots in each of the competitions during the week, and no Freelance Photographers may shoot any of the official wins at any time. This is defined as any picture of an entry, a judge and ribbons.

We have professional photographers that have paid for vendor space in various competitive areas. This would include Conformation, Agility, Obedience, Diving Dogs, etc.

In order to maintain a level playing field for those vendors we will require any "Freelance Photographer" to submit a vendor application to be approved in advance of the events. These photographers (and an assistant) will be considered "Respective Assignee's" that have the right to capture images during the six days of events. There will be a fee of \$1,000.00 to be able to shoot at the conformation events only.

If you want a booth on the show floor for equipment and point of sale use, that can be arranged for the Standard Booth rate of \$1,995.00 for the week.

Please contact Michael.Canalizo.Contractor@akc.org for an Application.

Those photographers who annually request a Press Pass to shoot exclusively for a verifiable dog publication are welcome to apply for their press passes directly from Brandi Munden: VP of AKC PR & Communications at: Brandi.Munden@akc.org. This will provide them access to shoot at the event for their publications use only.

Any candid photographer that desires to have private photo-shoots may do so as long as the activity does not happen within the venue limits (which include the outside grounds) during our contracted period.

ATTENTION OWNERS/EXHIBITORS OF FOREIGN REGISTERED DOGS

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, Chapter 11 Section 1. The dog show rules are posted on the AKC Website at <http://images.akc.org/pdf/rulebooks/RREGS3.pdf>

MOST IMPORTANT TO NOTE ARE THE FOLLOWING:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred-by-Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibited, regardless of whether the dog earned any points or awards. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at <http://images.akc.org/pdf/extenap.pdf>.

VETERINARY REQUIREMENTS FOR TRAVEL

You cannot drive inside the building at any time.

IF YOU ARRIVE EARLY YOU WILL BE DIRECTED TO A STAGING AREA NEARBY. YOU CANNOT PARK ON AN ACTIVE ROADWAY.

The PARKING fee is set by OCCC. The Parking charge is \$10.65 for a car. Oversized vehicles will be charged a higher rate. PAYMENT IS NOW "CASHLESS". YOU HAVE TO SCAN A "QR CODE" FOR A RECEIPT. (You have Same Day "in and out" access with this dated receipt) Upon request at any toll booth, the parking lot staff will issue a piece of paper per day for guests to show that they have paid for that day. You must show to the toll booth attendant the same day paid receipt for "in and out privileges" that day.

UNLOADING PROCEDURES

STAGED VEHICLES WITH A NUMBERED FORM WILL BE ADVANCED TO THE PARKING LOT WHEN AUTHORIZED BY THE POLICE ON MONDAY. AT THIS TIME EX-PENS WILL BE ALLOWED TO BE SET UP IN THE DESIGNATED AREA.

AT 10:00 AM WHEN THE OPEN GROOMING HALLS OPEN, THOSE STAGED ON THE SIDEWALK IN FRONT OF THE HALLS WILL BE ALLOWED INTO THE HALL 20 AT A TIME, AT FIVE (5) MINUTE INTERVALS. ASSIGNED-GROOMING HALLS WILL NOT OPEN UNTIL 12:00 NOON.

The entry gate on James Boyd Blvd. is controlled by the OCCC facility; they will restrict the number of vehicles as needed. Unload Quickly so others can get in behind you. You will have 20 minutes to unload your vehicle. All vehicles will be required to turn off their engines and leave the flashers on. There will be show personnel and uniformed security to supervise this area.

Please note Monday is considered as a "set-up" day for the facility and there is a local law that restricts any children from being in the building during the set-up of any event. Please do not bring children into the building on Monday. This does not include a junior showmanship exhibitor that is entered and accompanied by a parent or guardian.

GROOMING AREAS

All grooming will be indoors. Overnight air conditioning will be provided for the grooming hall Monday through Sunday.

Overnight security will be provided. Building hours are 6:00 AM to 11:00 PM.

There is a very limited amount of space for chairs in the grooming area.

Grooming and crating areas will be supervised by "Site Control" and "The Crew" who will be present to assist in the grooming areas. Anyone who refuses to cooperate with the staff of either company will be subject to disciplinary action.

**INFORMATION ON THE OPEN AND ASSIGNED GROOMING
PLEASE READ CAREFULLY!!!!**

We have increased the **Open Grooming Areas** for ALL crating and grooming. ALL Public Ex-Pens will be located on Both the North and South Docks in covered locations or outdoors within the private Ex-pen area outside of the North and South Entry doors. Exhibitors may set up ONE (1) private ex-pen (not to exceed 5'x5') next to their set-up. The neighboring set up should place their ex-pen next to the adjacent setup to provide some distancing. You may set up ex-pens in the aisles outside of your setup from 5:00 pm to 8:00 am as long as you leave space to walk on both sides of the pens. No pens can completely block the walkway and ALL pens must have plastic under them. If you use sawdust, you must be prepared to clean it up thoroughly or you risk having your pens removed. It is everyone's responsibility to clean up after their dogs in any ex-pen at any time. Those who fail to do so will be subject to discipline.

The Grooming Area will be overseen by Harry & John Miller and the Site Control Staff. Please reach out to Harry & John's staff if any problems or issues arise. Only their staff will have contact with the facility if needed. No exhibitors are authorized to make requests of the facility and could be held responsible for any costs related to a request that is not approved by Site Control staff.

Look for the Staff in the "Orange Jackets"!

"Assigned Spaces"

For those with four or more entries that have secured an assigned space (8'x10'), with one 2,000 watt electric outlet that can be set up to your personal specifications. There will be a special "check-in" desk staffed by Site Control where your assigned space number will be confirmed. Access to the Assigned Grooming will be at 12:00 (noon) on Monday.

"Open Grooming"

This area will strictly follow a set grid for "Crates/Tables/Aisles" without exception. This is a requirement to maintain access for exhibitors in this area. Complimentary shared electric outlets will be placed throughout this area and no one person may claim exclusive use of this service. See above notice on one ex-pen allowed per set up.

The Open Grooming areas will be arranged in "Rows & Aisles" to facilitate exhibitor space and ensure a safe and smooth operation of the event. These areas are under strict enforcement of the Fire Marshals' Regulations. THERE IS NO SAVING OF SPACE IN THIS AREA.

ALL CRATES AND TACK UNITS MUST BE STACKED IN THE OPEN GROOMING AREAS

"Junior Showmanship Only"

There is a reserved section located close to the Junior's judging rings and this section may be removed after Juniors Judging on Saturday. Only dogs ENTERED FOR JUNIOR SHOWMANSHIP will be permitted in this section. Juniors traveling with family members or Guardians with other dogs should secure space in the grooming area. No other exhibitors or handlers will be allowed to set up in this section. This section is exclusive to Juniors with their Juniors dog only. Parents and Guardians with other entries will not be allowed in this section.

NO DOGS MAY BE KEPT OVERNIGHT IN THIS SECTION.

There will be no saving of space under any circumstance. No floor rugs are permitted. Grooming Tables in excess of 24" x 36" will be regulated by Harry & John Miller and Site Control. No soft-sided crates allowed in the grooming area. Any containment equipment (dollies or stroller type carts) used for small dogs must be kept in the crate or table designated space, not in the aisles.

By entering this show, the exhibitors and handlers agree to follow all directions of the assistants charged with arranging and maintaining safe and orderly conditions in the grooming areas.

The grooming areas have 2,000-watt electric outlets spaced throughout which are available to all exhibitors as "shared usage". Electric at an event is closely monitored by the building Fire Marshall and anyone who attempts to overload the outlets puts the entire event at risk. Any unsafe practices will cause that outlet to be removed from service. We will re-set an

outlet once. If you cause it to blow a second time, it will be pulled from service for the remainder of the event(s). These outlets are meant for single dryer use ONLY. You will have the option to secure an outlet with more wattage at your own expense. Please take care to have any cords in use off the floor and/or firmly secured to prevent any trip hazards.

Those who want to secure exclusive use of an outlet may do so on-site by contacting Harry or John Miller. The cost for a 2,000-watt outlet is **\$572.00** for the duration of the events.

PLEASE DO NOT OVERLOAD ANY OUTLET UNDER ANY CIRCUMSTANCE.

VETERINARY REQUIREMENTS FOR TRAVEL

Anyone needing a USDA Health Certificate , exhibitors must complete the Health Certificate process by Wednesday in order to best ensure turnaround before the weekend with the show Vet - this is especially important for International Travel.

BATHING STATIONS

There will be bathing stations available to bathe dogs located in the loading dock area of both the north and south grooming areas, in dock slip N38 and S38. The Bathing Areas are covered, well lit areas in one of the dock slips. Please exercise care not to walk wet dogs inside the building, to avoid a safety hazard to others. Plan to wheel your wet dogs in a crate or carry them. We thank you in advance for passing this information along to those who will be doing the bathing.

There will be ample Public Ex-pens located on the dock slips outside of the Grooming Halls and public exercise pens outdoors located just outside the North and South entrances.

**ALL LANDSCAPED AND GRASS AREAS ADJACENT TO THE BUILDING
ARE OFF LIMITS TO DOGS!**

Due to repeated trespassing on the facility's landscaped grass, we are forced to erect fencing all around the perimeter of the building. Anyone caught relieving dogs within the fenced off areas will be subject to an event hearing.

No grass area is approved for private ex-pens and any set up will be subject to removal by the grounds committee. One Private ex-pen (not to exceed 5'x5') will be permitted in each set up in the building during show hours. See details above. Each hotel will have designated exercise areas for their guests with dogs. You are always required to clean up after your own dogs. All ex-pens must have plastic underneath them. No Exceptions! Any pen without plastic under the pen will be taken down. There will be large containers for properly bagged refuse.

DO NOT THROW ANY WASTE INTO THIS CONTAINER THAT IS NOT PROPERLY BAGGED.

Any pens not kept clean will be subject to removal by the grounds committee. Site Control staff will determine the number of ex-pens any one exhibitor or handler can erect.

THE SHOW RINGS

Due to an event of this size, be prepared for a longer walk to your ring. There will be an area taped in **RED** as "Ring Prep" zones near the rings. This area is for temporary staging for breeds about to be judged. All equipment must be removed from these areas 15 minutes after the completion of that breed, unless that ring is used exclusively each day. Please be considerate of your fellow exhibitors that will be next in the ring and in need of the "Ring Prep" areas. There will be an area in **YELLOW** tape adjacent to each ring as a "Ready Ring Area." This area is restricted to dogs due next in the ring or for dogs waiting for a class that may have been divided. NO grooming or prepping is allowed in this area. Please note: some rings may be expanded to two rings for certain breeds on either day.

The Fire Marshall will not allow crates or tables to block any aisles in case of an emergency. This will be strictly enforced. All allowable equipment must be removed within 15 minutes of the conclusion of your breed judging.

Breeder of the Year Award

The American Kennel Club began its annual program to award and recognize breeders of purebred dogs at the 2002 AKC National Championship. Breeder of the Year Trophy - A sterling silver loving cup to be permanently displayed at the Offices of The American Kennel Club, with the recipient's name engraved on a plate on the wooden base. The winner of the Breeder of the Year will receive a 10 inch Sterling Chippendale Tray engraved with their name. CHRONICLE

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.
