

THE 1976 SOCIETY MEMBERSHIP FORM

The Beginning: In 1972, the Waycross Okefenokee Lions saw a need to provide recreational opportunities to the vision impaired children of Georgia. By 1974, then Governor Jimmy Carter met with delegation of Georgia Lions to secure 61 acres of state land. The Department of Natural Resources approved the land transfer to the Georgia Lions and on September 12, 1975 the Georgia Lions Camp for the Blind was chartered as a non-profit organization. Then in 1976 the Georgia Lions Camp for the Blind became a multiple district project.

The 1976 Society: The idea of the 1976 Society ($$19.76 \times 12$ months = \$237.12) was proposed by Lion Jon Winters, then Camp Treasurer at the annual Winter Camp Meeting on February 5, 2012.
