Partly due to lack of volunteers, we have had to scale back our participation in area events. The Executive Board only contains five local members and we are unable to cover more events without volunteers. While online support is wonderful, please consider donating a couple hours of your time as well. We encourage you to still support the events above, maybe while wearing your EPMA t-shirts!

To volunteer for any of our events, please contact Lisa Totleben at EriePuppyMillAwareness@gmail.com or find us on Facebook.
