Championship

Hello Archers,

In this program you will find information for the 2019 Arizona State Outdoor Championship. The shooting schedule, website for scoring, lane assignments and list of archer's in your division are all here in the program. You will also find the basic rules of the tournament as it is expected you know how an outdoor target archery tournament works. If you need assistance, please reach out to your coach, or before shooting starts, a tournament official. We want everyone to have an enjoyable time and shoot their very best. So good luck and shoot straight from Desert Sky Archers and USA Archery Arizona.

Thank you

Rick Bachman
