

Westfield Child Center

Parent Agreement Form

We are excited to welcome you to a new session of swimming lessons. Please take some time to review the following rules and guidelines to provide the best learning experience and ensure your child's safety and health.

- All forms and waivers must be turned in before your first lesson or your child will not be allowed in the pool.
- Please arrive promptly for each lesson.
- Sign your child in immediately upon arrival.
- Anything worn in the pool must be made of bathing suit material. Street clothes (E.g. t-shirts or basketball shorts) **will not** be allowed in the pool as the material can affect the water clarity.
- Your child must be showered and ready to go 5 minutes prior to the start of the lesson.
- Do **NOT** allow your child in the water at any point without the supervision of a lifeguard. Please have them wait at the tables.
- If your child is sick, please stay home and notify us. By doing so, this maintains a safe and healthy environment for other swimmers and the instructors. You are allowed to makeup one missed class during our makeup week at the end of the session.
- In order to minimize distraction for the swimmers and maintain a safe environment, we ask that spectators remain quietly seated while in the pool area.
- If you bring any additional children to the pool area, please be attentive and make sure they remain seated for the duration of the lesson.
- If you would like to take pictures or videos, please make sure it is only your child, and not any other children or instructors. This is a Westfield Child Center Policy and must be enforced.
- Please make sure if your child borrows a bubble or goggles, they are returned to their designated area after lessons.
- Please do your best to clean up after yourself and your children.
- Parking directly outside the pool area is prohibited. These spots are reserved for active pick up and drop off for school buses only.
