LEGISLATIVE NEWS

FROM THE OFFICE OF OUR LOBBYIST, LUCAS HARGRAVES AND AMANDA STORY

It's a busy time at the State Capitol in Little Rock. The General Assembly wrapped up agency budget hearings last month, with Governor Sarah Sanders presenting her proposed balanced budget on November 21. The budget is \$6.49 billion for fiscal year 2026, prioritizing spending in education, maternal health, public safety, and government efficiency. A bulk of the state's budget goes to Medicaid and K-12 education.

The legislative session will convene January 13 and is expected to last roughly 100 days. Legislators meet for longer, regular policy sessions in odd-numbered years, where they consider all types of legislation. (In even-numbered years, the session is shorter and limited to only budget matters.)

Home builders have a number of issues to watch this session, including any legislation affecting professional licensure changes, work force training efforts, and any possible changes to continuing education requirements. We will stay in touch with AHBA members throughout the session. Please be on the lookout for any requests to weigh in to your legislators on our priority issues. YOU are the most effective advocate when it comes to home builders' issues at the Capitol!

The Arkansas Home Builders Association appreciates the efforts made by the Hargraves office to visit with each local.
