

# Why Become a Text 2 Stop It!™ Non-Profit School Safety Partner?

Non-profits, schools and other government agencies are working every day to end bullying, violence, drugs, suicides, and other harmful behavior in our schools. If you are a nonprofit organization like a school/school system, PTA, anti-bullying group, law enforcement, MADD, SADD, Boys and Girls Clubs, etc., we want to help you.

We will provide the 24hour/365 days per week two-way anonymous texting hotline, posters, cards templates and other promotional material to create awareness with students. Our Non-profit School Safety Partners use their existing relationships with the schools to reach students, parents and the community with the [Text 2 Stop It!™](#) program. Simply put, we add our powerfully successful texting platform and provide the “boots on the ground”.

## Requirements:

1. Must be a nonprofit organization, school district or government agency
2. Must currently have a program working in schools
3. May not duplicate existing Text 2 Stop It!™ program

## What we will do:

1. Provide you with a unique keyword and use of our text number
2. Provide unique Posters and card templates with your desired logo and message
3. Provide Text 2 Stop It!™ texting platform and text/call center operators, 24 hours per day, 365 days per year
4. Email transcripts of student/parent conversations to you/your organization for presentation to proper school counselors/administrator for resolution
5. Provide annual report on type and number of classification (bullying, suicide, drugs, weapons, etc.) for texts received

## What you will be asked to do:

1. Complete the Text 2 Stop It!™ [School Safety Application](#) for the school, listing school district and the geographical area for which you desire to partner
2. Be an advocate for school safety.
3. Print and distribute cards and posters to schools, parents and community
4. Forward transcript of conversation from Text 2 Stop It!™ to designated school administrator for follow-up
5. Support Text 2 Stop It!™ This free program is funded through donations, sponsorships and grants.

## We also bring Corporate Support Opportunities

Like you, we rely on the generosity of corporate donations and sponsorships and are grateful for each prospective sponsor's passion for our mission and their desire to help put an end to bullying, drugs, teen suicides and violence in our schools. On a national level we leverage this support. On a local level, as a School Safety Partner, we provide access to help fund and support your school safety work.

Contact us and together let's build a relationship that protects our kids and saves lives.
