This Month's Program

Our speaker for the Wednesday, February 10th will be Jamie Maisson

Jamie Massion:

I have been actively involved in long range, short range and fresh water fishing and fly fishing for going on 55 years. Having been intimately associated with the Aerospace and Defense industry for well over 40 years I have had the great fortune to developing and working with some of the great technological advancements of several generations. I was able to be amongst the first to use these great products in applications such as Racing boats (both Sail and power) and most importantly Fishing products. My dad and I were the first to attempt to bring in the advanced precursor to Dyneema which later became associated with the modern day Spectra. My ability to have access to material such as Carbon

Graphite, which at the time was only available to the defense industry, gives me the ability to understand it's use as it pertains to the fishing industry. Over the last many decades I have been extremely active in exposing more and more anglers to the joys of artificial type lures attempting to bring the joy of this activity to both advanced anglers as well as the Castingly challenged.

I am very fortunate to have been a part of the Bob Sands Tackle staff for many years, supporting them both inside and outside the tackle store. And finally, I have been integral in bringing around change, centered around bringing more new anglers into the industry as well as keeping existing anglers who are aging a bit, both thru the use of the internet as well as "On Boat" teaching and sharing of all the trade secrets I have gathered over more than 5 decades. The perpetuation of our industry, regardless of what sort of modern day messes we find ourselves and our country in, is and should be the mandate of all of us who have been the beneficiaries of so many years of joy and pleasure found within this great industry.

February 2016 President's Message

This month will feature the semiannual swap meet. Bring your items to trade, sell or barter.

The annual Fish for Food event in Ventura has been postponed if not cancelled. I will keep you advised if a new date is announced.

Fred Hall is next month March 2-6, 2016 in Long Beach and Del Mar Fairgrounds March 17-20, 2016. In addition, Pacific Coast Sports fishing hosts a smaller show usually featuring local fishing tips for San Clemente and Catalina Islands. The PCS fishing show runs February 19-20, 2016 at the Orange County Fair in Costa Mesa. For more information, go to Sportsfishingfestival.com.

We are still taking reservations for our 2016 trips. Again first come first serve. We are looking to add trips so speak to Ernie at the next meeting to find out about trip additions. I am going to inquire at Fred Hall about a local trip out of 22nd Street landing to fish Catalina Island and will let you know how that works out.

Make sure you get your license ASAP and according to Fish and Wildlife the age is 16 not 17.

Many events are planned for you this year. In addition to the many charters, Luke our new Freshwater chairman is planning events to get you and the family out fishing. I hope to see most or all of you at an event this year.

Friends of Rollo have cashed our check and I look forward to another kids trip, hopefully the last week of May. As always I will be looking for volunteers and will give you the date when we have it. I thank everyone for your support of this worthwhile program.

Finally, the season opens soon. Get your gear in order. Get new/used gear at the swap meet this month and make a trip to one of the fishing expos coming up. Look forward to a post El Nino season and fishing should be great. See you on the water soon.

As the year begins you should mark your calendar for the following events.

Fresh Water Event Update

Most of you know I took over freshwater responsibility from Mike this year and I hope I can do as good of a job as he has done.

My plan is to have a few trips with our friend Rich Tauber this spring and summer at Lake Casitas along with some surf fishing at Hollywood beach in Oxnard and at Sunset/Bolsa Chica.

If anybody has any ideas or would like to do something please feel free to give me a call.

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2016 Membership Drive

The 2016 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2016 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2016, your 2015 membership card is void. In order to receive the discount, a current 2016 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Website Update

All of the updates have been entered into the Website. If you have anything you would like to add, e-mail it to newsletter@turnersrodandreeclub.com.

so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

CLUB ROSTER

Club Rosters is available from Membership Chairman Sam Zanrosso if you need one. Just ask Sam Zanrosso for an updated 2016 Roster.

Trip Signups

Once again we are taking trip signups at the February meeting for all of the 2016 saltwater trips. A 50% deposit is required for all trips in order to save your spot. No trips are full yet. We are accepting reservations for guests as well as members. Please continue to make your checks out to William Davis.

If a trip fills up Ernie Branch will be making a standby list as spots frequently come open. Deposits are not needed for standby status.

The May Pacific Dawn trip is now on Sunday May 15th. Also added to the list is the May 31 Island Tak trip.

Questions? Call Ernie Branch at 626-357-0064.

JANUARY RAFFLE

The January Raffle featured a variety of winners and a few won 2 prizes as well. Winners included Mike Maurizio, Carolyn Duncan, William Davis, Joel Tureaud, Randy Mindoro, Luke Fitzpatrick, Bob Bingham, Jim Clough and Jose L Dominguez, aka Sr. The Grand Prize was a Shimano rod won by Alex Perez. Congrats to all.

Loser's Bucket

What became of all the tickets you wrote your name on last year? Remember they were your losing ticket for our monthly Raffle? Mr Davis carefully saved them all year. Then one ticket was drawn at the January meeting and the winner won a saltwater Rod, an Okuma I think. The winning " Loser" was Warren Harper. Congrats Warren.

At
Mountain Lakes**

Sam Zanrosso and I have been going up to Mountain Lakes in Lytle Creek for the past three weeks. I have had luck each week catching at least 1 fish. Two week ago I was fortunate enough to catch a catfish. Who would think catching a catfish in the dead of winter. All fish were caught on 2lb test using Power Bait. The trout are 08, 1.6lb and 2.1lb. The catfish was .5lb. Here are some pictures;
