

Everything Seems Business As Usual

April 7, 2015

Good morning! I have an encouraging sort of message from the Lord.

You know after all the drama of the weekend and thinking that the Rapture was going to happen, and then the Lord corrected us and gave us the idea that it wasn't going to be a time when we expect it.

I was thinking today, 'Gosh! It's just business as usual out there. Sunny day, trees are beginning to bud. Opportunities are coming up – life is going on, so to speak. And I thought, 'Lord, couldn't we have a more time? Or are we just a little crazy? Crazy Christians with Rapturitis, or whatever. Could we have more time, Lord?'

Then I had a real burden for the souls who haven't really changed their lives, haven't really come to Him – even the Christian souls. We've had so many people on our channel who've had some beautiful experiences with the Lord, and are really getting deeper with the Lord. There's so much hope in that, for people who have felt alienated for so long. And I thought, 'If only we had more time!'

Don't throw rotten tomatoes at me for saying that, because I know none of us wants more time – we all want to get out of here! In a way... But, I was thinking of that, thinking people are beginning to really, really show signs of life, and repent and wanting to be closer to the Lord. So, that's kind of what this message is about.

I began:

Oh Lord how I wish there were time. So many souls, so lost, so confused, I wish I could touch more, I wish WE could touch more.

"I know."

I wish we had more time.

"I know. But we don't."

But everything seems so normal, you know...

"Buying and selling, marrying and giving in marriage?"

Yes. The world seems so stable just like it will go on forever.

"I know. But it won't. It's deceiving, so much is happening behind the scenes that very few care to know about as long as they can maintain the status quo."

People are responding.

"They are afraid."

Well, at least they are responding. Couldn't we have more time?

"If you knew what I knew, you wouldn't ask that question."

Well, every day I struggle with this. The world seems so stable, so normal, if it weren't for Revelation and for You, I'd think it would go on forever.

"Aren't you glad you have Me?"

Oh my goodness, life would not be life but a walking nightmare without You, Jesus.

"I know how you feel, I know how you feel because I weigh the pros and cons and I feel the same way. But we have knowledge of what's really going on, you don't. It is the status quo thing. Don't upset my apple cart, let me get these apples to market, sell them, come home with a profit and go shopping. Just let me live my life. This is where most are at. In the meantime others are stealthily planning their assault. They rest in their plans because they know the masses are still filling their carts with apples and as long as that process can continue, they will be happy."

"Others, who value freedom of religion, freedom of speech, justice and security in those things, others are alarmed and filled with consternation, making plans to escape what they plainly see coming. Others yet are looking skyward, waiting for Me to rescue them."

"Clare, it's happening right before your very eyes, but life before you is lived in layers. To one layer it is the apple cart, to another it is dominance, to another it is freedom, to another yet, it is Heaven, but all the layers are before you. You each day must choose which layer you are going to live in. Which layer is your reality, who is your master, who you will serve. Until one of the layers explodes and takes away the rights of the other layers and the world is turned upside down and inside out and looking back people will say, 'How did this happen?'"

"It happened because you chose to live in an isolated layer that appeared to provide all you needed. You didn't look beyond that layer because you were busy succeeding in this one. Then one day...well, it all ended, and left you standing in confusion, if you are one of the lucky ones who are still standing."

"Nothing will be remembered of the fatness of the land when it collapses. Only bitter memories of what was lost. Then from the rubble they will seek Me. They will realize their love affair with the world left them naked and destitute. And when they find Me, I will embrace them, pour oil upon their wounds and raise them up in holiness."

"What I want to say is that you mustn't grieve over those who are left behind. No, this is their destiny because they chose to live in that layer of isolation where everything was provided by their own hand, where success was the entire focus of their lives. Yes, they chose this, and the world being such as it is, left them blind and naked before Me. And this I allowed to save their souls, for without it, well... Hell is filling up. They are not all bad people, just Godless, with no need for God. It is My act of mercy that their world comes crashing to an end. It is My love for them that allows such catastrophe. Only nakedness will bring them to Me, hungry for comfort and truth."

"You see once a man builds his house on the sand and the rains come and the floods wash it all away, well, then that man will consider the importance of building upon Rock, and I will be there to teach him. So you see what is pending and inevitable is merely My provision to bring My children back to Me, in spirit and in Truth.

"Yes, it is harsh. Yes, it is brutal. Yes, it is seemingly unfair. But none of this occurs to man when he is busy exploiting the very poor of third world nations to buy his teenage son a car, or build a luxury home. All that matters to those of this mindset is the bottom line. And so they will experience the reality of the bottom line of other nations, nations that looked to you for example in lifestyle and yet were hopelessly captive in a subservient culture and economy while you continued to prosper.

"It is very, very sad, Clare. What you don't see, how these people are exploited and did I not create seed for the sower at a cost, but now greedy and wicked men scheme to find ways to force the poor to buy their seed? How much worse should I allow it to get? The cries of the poor reach My ears every day. They suffer the lack of even medical necessities while in your country the medical establishment runs the lives of even the middle class and finds newer and better ways to get more control for more profit and flourish at the expense of the innocent.

"Oh it is corrupt beyond all reason, why should My Father allow it to go on for even one more minute? We have tried to turn the hearts of men but their lust for primacy and luxury in the world has completely blinded them to their unjust lifestyles. Normally, I do not bring these things up to you, but I want you to understand - the facets of corruption I must look upon everyday are overwhelming and cry out for justice. And what is worse is the architects of these cultural crimes do not see they are destroying the very basis of their lives by continuing to squeeze out every penny from the poor.

"Yes this is only one facet, but it gives rise to unrest, hatred, despair. There is a reason Muslims rejoice in martyrdom, it's there one chance for happiness in a hopelessly corrupted and convoluted world. Living for a cause overshadows the pain of want and restores a man's sense of dignity when nothing is left to him but to die honorably. So Satan has offered a chance for man to redeem himself and live in 'heaven' with all the things he could never have on earth because of injustice. Should they not hate those bankers and world leaders that prey on the poor - many of them Jews? There is another sense of accomplishment, destroy the whore. This too is honorable. So you see this problem is hopelessly complex, but when I come back to rule and reign the iron rod will break the backs of those who would steal and denigrate even the lowliest human.

"Justice and honor shall be available to all who seek it. Opportunity to live honorably with a true vocation and necessary education will be available to all and yet no one will prosper without God, no one will in the beginning even conceive of life without God, without a serious devotion and desire to serve Me. Everyone will see the necessity of living in God, except those who are without a conscience.

"We must start over Clare, from the bottom up. There is no other recourse. Do not lose hope, I am coming to set it straight. We will get it right, I promise you. In the mean time, try to look forward to a vacation in Heaven, even though I know part of you wants more time to help

"I love you all with a love that only your God could have, a sacrificial love, a love that yearns to be spent to bring just one more soul in. I bless you and ask you to continue to refine your lives to make more and more room for Me and one day...your suffering, prayers and hard work will be rewarded."
