

SPANISH VALLEY WATER AND SEWER DISTRICT

Special Meeting ----- January 16, 1978

Meeting was called to order by Darwin Gilger, Chairman with the following in attendance: Dan Holyoak, Linda McKinney, George White and Yvonne Colclasure.

Members were informed that Richard Holyoak had requested \$5,000.00 for sewer right-of-way through his property plus two connections for personal use.

After discussion George White suggested a letter be written to Holyoak informing him that the district was unable to pay \$5,000.00 for right-of-way and also that connections were the only possible means of pay back for the installation of system.

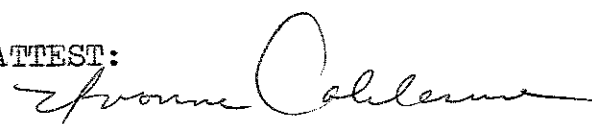

It was agreed by all members in attendance that \$5,000.00 was too expensive and that property owners who were not willing to submit right-of-ways would have to be informed that a condemnation suit would be filed or District would have to abandon project.

With no further business meeting adjourned.
