Mask Required.

We will be following all recommended safety precautions.

Please see below for more information

# **General and covid restrictions:**

We will spread tables out around the outdoor field.

The troop will provide plastic spoons and forks, plates, cups, napkins, etc.

Scouts should bring serving utensils.

It would be easier if food offerings are served in single serving cups/plates.

Everyone must wear a mask when serving and when being served.

You may only take your mask down to eat after you have stepped away from the tables and are distanced.

If anybody needs electricity, we will run cords and power strips.

The festival will run from 8:00 - 8:45.

# **Patrols and Staff:**

We encourage the staff and each patrol to have several entries, 3 or 4 each would be ideal.

# **Scouts:**

We would like to have food variety.
