

ACTS Clubhouse welcomes participation from our community! Here are a few ways you can help – but we are always open to new ideas!

## 1. Transitional Employment Opportunities

Partner with Clubhouse through our Transitional Employment program. You provide us with 1 or .5 FTE at your business. We will keep that position filled by a member or Clubhouse staff. You'll benefit from always having a reliable worker in hard-to-fill positions, Clubhouse members benefit by learning skills and gaining confidence.

## 2. Volunteer Your Time Once the Clubhouse Opens

- Do you have a special talent such as baking, crafts or musical talent? We are always looking for community members with special gifts to share with us through workshops or activities.
- Trivia night is another fun way to help Clubhouse. You can solicit donations, help develop the program or simply volunteer to help the night of the event.

## 3. Donate Funds or Sponsor Part of the Building Renovation

In order to successfully open our programs to members, ACTS Clubhouse is in need of sponsorships to outfit and equip the Clubhouse building. Please consider sponsoring the technology we need to be successful, outfit our kitchen with up to date equipment, and/or furnish the dining room for use in hospitality training and meetings.

## 4. Donate Equipment/Supplies

If you don't need it anymore, Clubhouse will take it off your hands. Or if you would like to dedicate a piece of new equipment to Clubhouse, we are happy to accept newly purchased items. Please email Clubhouse to discuss our needs. We will be happy to arrange for pick-up or set up a delivery time for you to join us at Clubhouse.

## 5. Serve on our Advisory Board

The Clubhouse Advisory Board is comprised of individuals who represent the community professionally, ethnically, geographically and culturally -- all with an interest in mental health. The primary responsibilities of a board member are to network with the community to increase awareness of mental illness, raise funds for the Clubhouse, serve on subcommittees, partner with employers to nurture transitional employment placements and help recruit local leaders to serve on the board. Meetings are held a minimum of six times a year. Subcommittees are formed for each major fundraiser and are time-limited.

If you can help, contact the Clubhouse today at [clubhouse@actsfl.org](mailto:clubhouse@actsfl.org) or call 813.557.5670.
