Collierville Connected Little Free Library Program - Volunteers Needed

The Collierville Connected Team has chosen education as one of their priorities this year. One of the best ways to further education is through reading. Considering that, they are working on placing Little Free Libraries at churches and businesses in the Collierville area. A Little Free Library is a permanently installed little box or house, colorfully painted, with a window and door on the front which holds up to 20 books. The idea is to "take a book and leave a book." Contact Jane Coward at 901-652-3285 for more information.
