Waiting List Form

Please complete this form to be added to the waiting list for training at G.C. Natural Horsemanship.

518 Bamganie Road, Meredith, Vic.

www.gcnaturalhorsemanship.com.au

Once completed please email this form back to us at g.c.natural.horsemanship@gmail.com
If you have any further questions please email or call Georgia on 0432352201.

You can also communicate with us via our Facebook business page messenger.

Once added to the waiting list we will do our best to give you an indication of wait times, however through winter we are often held up by inclement weather which slows progress with horses and thus affects the progress through the waiting list. The purpose of this form is to allow us to assess which horses we may be able to squeeze in if we have shorter gaps to fill and which horses may be able to be worked with by assistant trainers/working students, and which can only be worked with by Georgia.

Any horses trained by others working for us will still be fully overseen and assisted by Georgia when required. This will allow us to progress through the waiting list more efficiently as Georgia can only manage so many horses each day to ensure they get sufficient time. By having an assistant trainer or working students helping with horses we not only will work more efficiently but we are also helping the next generation of young people who are passionate about good horsemanship, which will benefit everyone by having more capable trainers available for future training. If you have any questions about this please discuss with us.

If at any point you no longer require your place on the waiting list we would greatly appreciate you letting us know so we can remove you from the list and adjust our estimated wait times for other clients. Thank you.
