

A Good Thing

Rachael Martin 7,11,2018

So I'm starting a new devotion and of course it starts with the very beginning.

Genesis 1:1-4a – In the beginning God created the heavens and the earth. The earth was formless and empty, and darkness covered the deep waters. And the Spirit of God was hovering over the surface of the waters. Then God said, “Let there be light”, and there was light. And God saw that the light was good.

Reading this above scripture prompted me to pray for the Lord to speak over our lives today. His word says that what He speaks is good. So I pray for good for our readers and their loved ones today.

I pray that the Lord would speak over you and that each one of you would see His goodness. That you would hear what the Lord is saying to each of you individually and that we would all understand the power of Him speaking over our lives.

If God says it – it will happen.

If God says it – it has purpose.

If God says it – it's for a reason.

If God says it – it is good.

I want to encourage all of you reading today that even if you read just a little bit in His word everyday, you have read something good and something good has ministered to your spirit man and your spirit man will produce outwardly what you give into it. So I'm praying for myself and for all of our readers that God will speak to us – that He will speak through us and that He will speak over us and our families – and I thank Him – that IT IS GOOD.
