Scheduling and Cancellation Policy

A weekly schedule of the days and hours your child will be in our care needs to be put in the payment box or emailed to prekkids@verizon.net by Friday **the week prior to service**. This secures space for the next week. If you do not submit a schedule on the Friday prior, we cannot guarantee that space will be available.

You can make changes to the schedule that you provided until Monday at 9am. After 9am on Monday you will be charged for the schedule that you provided. If you cancel or are a no show, you will still be charged. We cannot credit missed days to future weeks or different days in that current week. If you want your child to come a different day because they missed their original day, this would be an additional charge. A credit will only be added to your account if a doctor's note is provided, and only if your child was scheduled for more than 2 days that week. **Reminder: We do not except children for less than 2 days a week. We have a 2 day weekly minimum policy. Even if your child only attends one day your will still be charged the fee for 2 days.** If you have any questions, please ask Mrs. Miller or Miss Shannon. Thanks for everyone's cooperation.
