*Buckhorn Skippers April Newsletter
2017 Squirrel Shoot*

The past few months have raced by with the workdays, the monthly Shoot and the 40th Buckhorn Skippers Annual Squirrel Rife Shoot, all were excellent events! Sorry to have

missed the May Shoot. Thank you all to those who attended, helped out and made the events successful.

Several Skinners met up for a major workday to help Pat, Doug and Jan get the sprinklers repaired and relocated on the property. A number of the sprinklers were broken and tossed about the north and south fields in the wild wind earlier in the year. Many thanks to the crew and their participation, we could not have accomplished the heroic job without the many hands.

A group of Skinners met for breakfast at El Cielos on the 15th and 16th to get calories for work and fun. The range was in pretty good shape but needed the final prep prior to the Squirrel Rife Shoot. Ray and Ron had repaired the hooter down below and assessed the range. The hooter on the hill had blown off the base and needed a big nudge to get it lined up. We had 10 shooters on the hill, it was a good turnout. Captain Smokin Toes led the shoot with great set of targets and had us taking long shots at the 200 yrd gong. Deacon took the Grand Aggregate with a 159x, followed by Bloody Muzzle with 139, Cumberland Jim 137 x, Captain Smoking Toes 131 and Two Eagles came in 5th at 97 2x. The rest of us got honorary mention-less!

It was great fun and prep got done for the squirrel shoot. The meeting was called to order and Captain Smokin Toes who was concerned about the coming bad weather but figured that we would do “the best that we could” and it was a bit late to pull the plug. Mother Nature is a bit tricky in the springtime.

Prizes were collected and organized. The Marquis was to be set up on Friday with crew of dedicated souls.

Skinners plan on coming out Saturday July 15 to set up and camp. We will set up the Marquee later in the afternoon. Please bring light refreshments to share.

Shooting will begin Sunday morning at 10 AM.

Come out and have some fun with Skinners

SCHUETZENFEST ATTENDEES AND GERMAN REFRESHMENTS!
