

# SOUTH COOGEE JUNIOR FOOTBALL CLUB

HOME OF THE SAINTS

## What a great year for the Saints

### Year 9-11 Girls – Premiers

Our inaugural Y9-11 girls team did it the hard way but managed to bring home the flag after finishing 3<sup>rd</sup> on the ladder. Well done to all girls, Coach, Beau McCormack and Team Manager Tanya Arnoldi. Huge thank you to all the volunteers who helped with the team in 2019.

The All-Female competition has been a huge success in WA, across the Fremantle districts and at South Coogee JFC. Looking forward to bigger things in 2020.

### Year 7/8 Girls – Runners Up

Our dominant Y7/8 South Coogee girls had to settle for the runners up flag this year. They had a great season of football and were unlucky to come up against the Willetton girls who were too good on the day. A great effort girls!

### Year 7 Blue – Runners Up

The Y7 Blue team defeated Bibra Lake in the 2<sup>nd</sup> Semifinal to go directly into the Grand Final where they met Bibra Lake again. Bibra Lake started fast and got the jump on our boys, they responded in the 2<sup>nd</sup> half but couldn't get up on the big day. Well done on a great season boys.

### Grand Finals at Santich Park

South Coogee JFC hosted 5 grand finals on a very busy but successful day. The Fremantle Conference Coordinators both thank the club on how well we managed the day and provided a great service to junior football.

Thank you to all those who volunteered to help on the day.

## Gala Night 2019

The new format gala night was a success with a greater social event for all involved. Previous feedback was taken on board and the event was changed to suit all guests. The club added 3 new Life Members to the honour board with Darren Shepley, Laurie Quintiliani & Beau McCormack receiving this prestigious honour on the night.

## Arriving Soon

### Season 2020

Next season will see continued development of the coaches at South Coogee as we carry on with the great work with Winning Edge Academy. The three teams that engaged with Winning Edge the most, all made it to the Grand Final, maybe not a coincidence.

More training equipment improvements are on the way. New and additional bump bags, footballs and other equipment to make training better.

Redecorating the club rooms with the premiership flags of previous years while expanding the trophy cabinet to clearly display the accolades we have received.
