

Dear Friends of SPPS:

We are aware that children are the future of any country. Parents as well as teachers share a great responsibility in their learning. In many cases, what we become in life is very much influenced by our teachers. Thus, it has been said that "teachers should be the best minds in the country" because of what the profession entails and the responsibility it carries.

We, at Sts. Peter and Paul Catholic School, are blessed with our staff. They empower and enable our students spiritually and academically to live the Gospel message as they face the challenges of the 21st century.

As we approach the birth of our Lord Jesus Christ on Christmas day, we take this opportunity during the season of advent to thank them and to wish all of them the very best of the Christmas season.

In faith, love and charity,

Carlota E. Morales, Ed.D.

Principal
