MEETING LOCATION

**Mimi's Cafe

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has

Signups begin at the January Meeting on a first come first served basis. Please see me or Charter Master Joe Jones. 2019 Releases will also be collected beginning at the January meeting.

In order to increase the number of members fishing I may add another charter or two in September October or November depending on interest, so please let me know now. Pat Cavanaugh of the Pacific Dawn indicates he would like to take members out on the Pacific Dawn out of San Diego when they move south. Let Joe of me know so we can get a list together

I'm also looking at trips on the Eldorado, City of Long Beach, Monte Carlo or possibly the Tornado to fish local waters. I will not commit club funds for the entire boat but if enough interest is shown we can book a good portion of the boat. Again, let me know what you want to do! I'm hoping to get as many members as possible fishing this year.

Dave Craig will have freshwater information and it will be sent out as soon as received. Watch you emails and text messages.

Our Members Laura Jones and Sal Lopez will have fishing dates at Whittier narrows (Legg Lake) including the annual overnight camping fishing trip, usually held the third Friday in July.

I'm hoping to get new members, more trips and a greater number of members out fishing and involved with the club this year. I look forward to seeing you on the water or at a meeting and remember to bring a friend/potential new member. Thank You

Your President

accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2019 Membership Drive

The 2019 Membership Drive is on!!!!
Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2019 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2019, your 2018 membership card is void. In order to receive the discount, a current 2019 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Website Update

All of the updates have been entered into the Website. If you have anything you would like to add, e-mail it to newsletter@turnersrodandreelclub.com.

Fresh Water Event Update

Hi everyone, Happy New Year.

This year's fresh water and local surf fishing trips are going to be a little different. Since I am one of the few in the club that still work, and will be traveling more in the next few months, I will need help in planning and running the club outings. If you would like to get involved and help out, come to the January meeting and sign up to run an outing of your choice. I look forward to a successful year of fishing and camaraderie. Dave

Pictures from Jose Dominquez's Trip to Thailand

New Membership Chair Jose L. Dominguez spent a few weeks in Thailand last month and wore his Turners cap while touring. Below he is pictured with his wife Patti and his Mom.

William Davis got the big one of the day at Lake Balboa with this carp held by Atticus Ige.

Elaine Ige skipped the after Christmas sales Dec 26th and instead fished a very windy Lake Balboa for this small catfish. He lived to grow some more.
