Elsie Area Fire Department Update:

After months of meetings and careful consideration of all options, the Elsie Area Fire Association reached a decision at its Special Board Meeting on Tuesday, October 21st, to relocate the fire station to a new site within the Village limits. The department is now located at 300 W Main St. in Elsie. They hope to have an Open House when they get settled in.

The Elsie Dam project is ongoing. Due to the recent government shutdown, there is some delay including the moving of the Snuffbox mussels. Stay tuned to our website for updates.
