Church Landscaping Nearing Completion!

Thank you to everyone who donated money for plants to help make this happen!! Check the list on the clipboard in the foyer . . . we will be getting a plaque made mentioning the names of those in whose memory the plants and trees were given. **If you signed up to give in memory of a loved one and have not yet given your gift, you may place it in any offering or use the electronic giving. Mark your gift paid on the form in the foyer.** All plants, trees, soil, and even the rental of the edger has been donated! This is a special way to honor God—taking care of His house!

Special thanks again to Scott Cunningham for his vision and hard work to see this project completed! The last phase of our project is to give some special touches to the garden by the rear door of the church, making it “Kyle’s Garden” in memory of our soldier killed in Iraq. If anyone would have special interest in working on this garden, see Scott! He has some really great ideas for it!
