Cyanide, Rison Poison, High Beam Zoners, Sleep

Since Saturday, May 19th, 2018, I have been poisoned by the Army and State Leeders with Cyanide and Rison, burnt and obstructed with High Beam Zoners, and they put my eyes and brain to Sleep.

On Saturday, May 19th, The British devels sent their army to my house from above. I became disoriented, dizzy, could not move, and could not hear, and could not help myself. My eyes became heavy, and I lost consciousness. I just had to sleep where I was. I later found out that the Army mixed sorcery with Rison and the Cyanide poison on me on Saturday. The American saw them in their uniforms and identified them as British. Others were called, and someone said it was Cyanide and Rison. The British Army did also identify themselves as British.

On Sunday, May 20, 2018, the American British Army continued with the high Beam Zoners combined and many sizes of Vectors to burn me and to cut me up, and I cannot help myself or do anything. They mixed the Mega Mega high beam sonic sound zoner with the vector to open my house, my body, and my community. They add to that the Scanner, the mobile power ship or boat with the nuclear power, and many types of devel equipments to destroy my body. They also used the Zodiac Zoner and other wicked objects on me to cause harm. No one did anything to provoke them, and no one knew they esisted. These devel leeders do what they want, when they want, anytime they want, with anyone they want for no reason. When you ask them why they do these wicked things, they turn around and ask each other the same question you ask them. They just do wickednesses, as that is their jobs and their enjoyment and their happiness.

On Monday, May 21, 2018, I was poisoned again with Cyanide while I was preparing my breakfast. I couldn't walk. I was dizzy. My head and eyes were spinning. I couldn't stand up. My body became heavy and many tingling in my hands and feet causing me to wobble. When I was conscious, I try to continue to prepare my breakfast, but I kept getting dizzy. As the British devels hear that I moved, they rushed back to their spots and poisoned me more. I drank some medicine, and I felt better, so when I got up to move around again, the other devels call and tell them that I was moving around. They put more and more of the Cyanide poison in the air. I couldn't eat my breakfast, as they put the poison in my mouth and they prevented my tongue from moving and they tied up my mouth, so I couldn't eat without being tired in the mouth. They removed the taste of food from my mouth, so it felt like eating paper. The British Army again destroyed the air, the skies, the elements, and they teared down my community and the State.

Many of the other devils around did not know what was happening to them, as they too were affected by the poison. I know it is the British because the Americans identified them as British, and many of them identified themselves as British. Someone identified that the poisons used were a mixture of powder and liquid mist. The British Demon devils are exposed, and we can see that they are camouflaged as American Army. They never left the US after the Civil Wars. They just changed their faces, bodies, personalities, and adopted American Ways, but being still British and working for the British.

On Tuesday, May 22nd, 2018, I was able to get a little done, as they put me to sleep several times.

On Wednesday, May 23, 2018, most of the day I was put to sleep every time I was doing something. They used many disruptive instruments to stop me from doing chores at home. When I AM eating, they put my eye and head to sleep. When I am talking on the telephone, they put my eye and head to sleep. When I AM watching TV, they put my eye and head to sleep. When I use the toilet, they put my eye and head to sleep. They override all my medications, and they use many powers, many mal rule/illegal authorities and many computers to override all that I do to stop them.

On Thursday, May 24, I had an appointment and they did many wicked things to stop me from getting to the appointment. While driving to the appointment, they put me to sleep and deadened my brain. I got to the appointment, and while I was there, they put the cyanide poison on me, and I nearly collapsed while I was standing up, and nearly lost total consciousness. When I returned home, I could not get anything done. I couldn't eat, they zoned in on me, and they used the Bolas over my head and while I take medications, they put my mind and body to sleep, and while sleeping they were in my presence disrupting the sleep they put me in.

On Friday, May 25, since I got up and before preparing my breakfast they put the Bolas over my house and they used many bad things on me. I managed to eat something and since then, I cannot do anything. My eyes are heavy and my head heavy, and I cannot walk without the heaviness they put on my shoulders, so my body becomes heavy, and I cannot move my legs or my hand or my body. I have no power in my body to do anything. I cannot get to eat or to prepare any food.

Swollen Legs and Feet

For the past three to four months, my right leg has been swelling and getting puffy, heavy, tight, uncomfortable to walk, my shoes cannot fit, and my right foot is in daily pain, and I do not have the money to see a specialist or a doctor for it. I have used medications to stop them. At first it was both legs and feet, and I used medications to stop it. Both my legs and feet returned to normal. When they saw that my legs were better, they got many more helpers and they injected me with many many poisons in one leg and they continue to destroy my right leg.

I Cannot Do Anything

Since I cannot do anything, I cannot help myself, and I cannot exist in a normal way without any of you demon devils in my existence and in my life, then it is so for all in all this Earth, and all existences where the demon devils and all their names put themselves.
