

# RecoveryWerks!

Changing the world through recovery one **under**-served community at a time.

## Our Mission:

RecoveryWerks! provides proven recovery support services in a safe and nurturing environment for teens and families in rural communities affected by substance use. We educate, partner with local agencies, and advocate for strong community support systems to reduce the stigma of addiction and increase recovery success.

## Our Beliefs:

Recovery works when there is a belief in a Higher Power.

Recovery works when physical, mental and spiritual issues are addressed as a whole.

Recovery works when clients are empowered to break the cycle of addiction and dependency through the 12 steps.

Recovery works in fellowship when clients feel safe and have access to education, counseling, sponsorship, and support groups.

**All donations to RecoveryWerks! are tax deductible and have a huge impact in bringing recovery to teens and families in our community.**

Chris Raymer serves as the Director of Recovery Services at La Hacienda Treatment Center, where he works with a team dedicated to supporting patients through educational recovery programming and post-treatment engagement. The team also manages the alumni network and coordinates La Hacienda's annual alumni reunion, a cornerstone event for ongoing connection and support.

With decades of experience in addiction recovery and counseling, Chris is a respected voice in the field and a frequent speaker at national conferences. He is known for his accessible, spiritually grounded approach to recovery and for promoting La Hacienda's "One Voice, One Message" philosophy, ensuring consistency and clarity in the treatment experience.

Chris is an advocate for extending support beyond inpatient care. His focus is on equipping patients with tools for lifelong recovery through connection, service, and spiritual growth rooted in the 12-Step model.

We are excited to announce that Chris Raymer from the La Hacienda Treatment Center will be our Guest speaker. Chris is a nationally known, dynamic speaker in the recovery community. He has a unique and very personal way of explaining the disease of addiction and the wonders of recovery.

As Eric Daxon, a volunteer RecoveryWerks staff member puts it, "*Chris was the first person who was able to give me a head and a heart for understanding both addiction and recovery. He is a wonderful speaker!*"

Individual tickets are \$45 each and can be purchased on our website, [www.recoverywerks.org](http://www.recoverywerks.org) or by scanning the QR code on the flyer or directly below.

If you, your organization, or an organization you know would like to sponsor this event, we have five different sponsorship levels ranging in price from \$1,000 to \$10,000. These tax-deductible donations allow RecoveryWerks! to continue helping families dealing with substance use disorder. Scan the QR code below for more information about sponsoring our gala.

## Our Annual Rummage February 28, 2026 Discover Treasures! Support Futures!

It's that time of the year again! Time to get rid of things you no longer want and buy the things that you need. We are gratefully accepting donations at our Landa Street

office from 12 PM to 5 PM, Monday - Friday.

We are accepting donated clothes, tools, appliances, sports equipment, knick-knacks, basically anything servicable.

We will even help you unload!

After you have donated what you don't need, come by and visit us and see if there are things that you or your family do need.

Remember, it is never too early (or too late) for Christmas shopping!

## Thank You to All of our Community Supporters!

All of our clients, staff, and board members would like to thank The **GVTC Foundation** for being a *Faith in Action* sponsor for the 2026 RecoveryWerks! Gala.

We would like to thank the **New Braunfels Noon Lions Club**, for funding much-needed window tinting to help with utility costs during the summer and for helping us purchase new chairs.

We are especially grateful for the generous donation given by the **Cheryl and John Schoolfield Charitable Fund of the San Antonio Area Foundation**.

Your generosity enables us to help teens, young adults, and families affected by substance use disorder. **Thank you!**
