Biography

Bradley C. Bair, age 66, of Bad Axe, passed away peacefully on Saturday, May 22, 2021. He was born on December 28, 1954 in Bad Axe, MI to the late Benjamin S. Bair and Lillian M. (McDonald) Bair. Brad was a 1973 graduate of Bad Axe High School. He was a truck driver and equipment operator at D&W Salvage for 20+ years. He was a naturally gifted musician, playing in bands from junior high on. He would play any instrument he touched with ease and never read a sheet of music. His mom would tell stories of him beating on Sears catalogs until he got a real set of drums! He had so many interests and talents. He loved cars, motorcycles, and pretty much anything with a motor, even if he had to build it himself. He was great at painting, airbrushing, making people laugh, and was a grandpa that had some of the coolest toys a kid could ask for. He was talented at so many things that the list could go on and on. A special thank you to all his friends, past and present, that have been sending their condolences and sharing stories and memories. They put smiles on our faces and peace in our hearts, and for that we thank you.
