

Harness Fit & Ground Driving plus TACK SWAP

Saturday, January 10, 2026

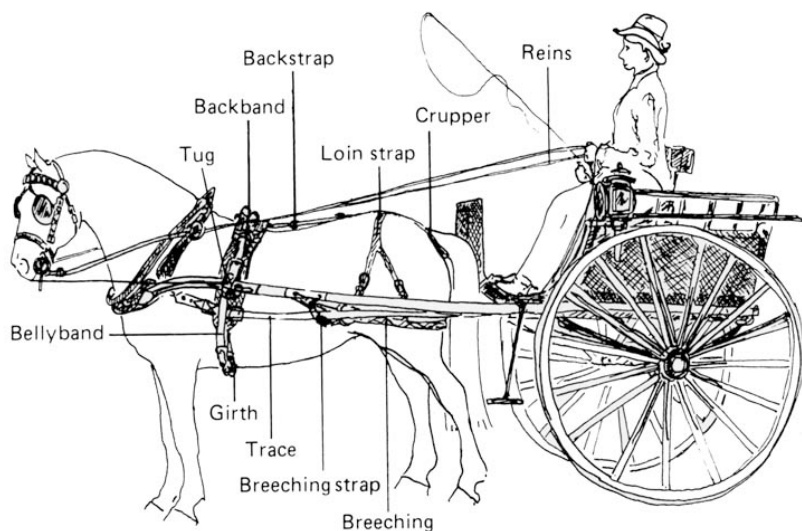

Sponsored by: Brass Oak Driving Society

www.brassoakdriving.com

HANDS-ON DEMO:

HARNESS FIT and GROUND DRIVING

Have your own harness fitted to your horse, or learn by watching others. Everyone can learn whether it's your own equine or not. Demo includes the name and function of each part of the harness, as well as how it affects the horse when hitched to the carriage. Ground driving will cover the uses, benefits, and techniques of ground driving, providing an opportunity to introduce your horse to driving.

TACK SWAP

Table(s) will be set out to display tack.

Transactions are to be managed by buyer and seller. BODS is not responsible.

Location: 7755 Feenstra Rd, Paso Robles (home of Linda Fairbanks)

Instructor: Diane Kastama

Time: 10:30 am – 12:00 pm **Hands-On Demo**. Afternoon driving available until 3:00 pm.
(Anyone driving or in the carriage as a passenger **MUST** wear a helmet)

Cost: Members: free
Nonmembers: \$10

RSVP: **Limited number of participants and parking.** Reserve a spot by contacting
Diane Kastama, 805-458-2428 or dkastama@verizon.net

Questions: dkastama@verizon.net or (805) 458-2428
