Neighboring churches offer some evening Mass times - contact the Executive Director for this opportunity.

** **Free time** is from after work until dinner at 6pm. Some groups choose to stop at one of 2 Cathedrals on the National Register of Historical Sites after work and before dinner. Other options include board games, cards, exercise equipment, ping pong, foosball, air hockey and a pool table (all at the Tau House). Swimming is also available at the St Bernard City Pool during the summer months.

*** Afternoon/evening activities usually include a guest speaker, Supper with the Sisters at Clare Convent, or other activities. **Some evenings are free.**
