Course: Quail Brook - Blue - R - Rating 69.3 Slope 128 Par 1

Weather: Overcast, 50ish Degrees

The weather held out nicely. A bit overcast but got into the 50s. Greens were soft due to overnight rain. Reese shoots a steady 1 under par with only 1 double bogey on the card to win by 1 stroke over Rick. Rick had a great round going but ran into a little trouble on 17 getting into the front bunker with a back flag location and hitting his sand shot over the green leading to a triple. Jim R had a net eagle on the first hole and continues striping his driver. Apparently Rick and Jim R have been paired up the last few rounds against Jim P and have been consistently taking his money (and mine yesterday). It is not official but based on last few rounds Jim P may be the best lag putter in NJ narrowly missing many birdie putts. Lastly, Jim P and Jim R are convinced that the Roth IRA is a superior investment vehicle for retirement and should be the investment of choice because you put in after-tax funds and don't pay taxes on withdrawls and there is no required minimum distribution. Charlie, however, after going through the math with Jim P at the bar is still not entirely convinced. More to come next week.
