RE: Drainage Survey Analysis  
5 Roof Areas

Mr. Pepe:

We appreciate the opportunity to provide you with the following quote for engineering services to provide a drainage analysis on the above referenced site. This proposal is based on 1 building with 5 roof areas, and several contributing roof sections. Owner has agreed to provide Structural plan information for existing live load information. If information is not available we will provide our drainage analysis using 20 lb. live loads for total inches of water.
