

over 100 years of innovation

LK500Ti treadmill

A new model to bridge the gap between our LKT8 Sport and our commercial models. The LK500Ti builds on our LKT8 frame with larger uprights, larger motor (4HP) and all new console featuring Bluetooth enabled i.Concept. With a large blue LCD display, multiple keypads, fixed safety key and rubber handlebars, it has the look, feel, & mechanics to make any fitness room a standout.

- HST Phenolic Resin comes standard and is unique to the market. It provides a maintenance free system, eliminating the need of lubrication for up to 2 years.
- Whisper quiet 4.0 HP DC drive motor provides unparalleled durability and reliability
- Extra large 22" x 60" running surface enables a safe and comfortable workout
- Refreshing 2 speed personal cooling fan motivates you to go the extra mile
- MP3 player compatible through a line-in connection. Audio is available through built-in speaker or headphone jack
- Orthopedic running belt provides a more comfortable, lower-impact workout experience
- Convenient crossbar controls enable speed and incline adjustments on the fly without losing focus on your workout
- Pre-drilled for Medical Rails (medical rails sold separately)

Download the free Pafers Apps for your compatible Apple® or Android® device

Use your tablet or smartphone to seamlessly interface with the equipment via Bluetooth®

Enjoy all of your favorite apps while exercising
