PROGRAM

Have you ever felt like the ambition that once drove you no longer fully fits who you are today?

In this thought-provoking and personal talk, leadership strategist and author Pamela Potts **explores what it takes to realign ambition with purpose** — and why that realignment requires courage.

Drawing on her signature OMO Method™, Pamela guides women through the process of **uncovering what's truly driving them**, articulating what still matters, and designing how they want to show up in this season of life. Because when ambition is anchored to purpose, everything shifts.

Pamela will demonstrate how:

- **Decisions get clearer**
- **Energy returns**
- **The life you're building starts to feel genuinely yours**
