From the Trojan Coaching Staff

September 2005, Coach's Corner...

Dear Trojan Family:

Our season opener is just two weeks away and we are preparing to load the busses to head to Booker T. Washington for our first scrimmage. Time is moving rapidly and the season will be here before we know it. I am really anticipating this season as our players and coaches have dedicated themselves to excellence. The attitude and work ethic of this team has been tremendous.

I want to thank all the members of our booster club and parents who attended our summer meetings when we introduced all of our players, the attendance and support of our team has been wonderful. Uniting our forces and standing together in Trojan pride will only make us harder to beat this season.

I want to also thank everyone involved with our Trojan stomp it was a first class event and enjoyed by many. To each of you who worked the event I applaud your willingness to serve our program.

Our "Trojan card" fundraiser is now complete and preliminary numbers indicate a very successful event. Thanks to everyone who participated.

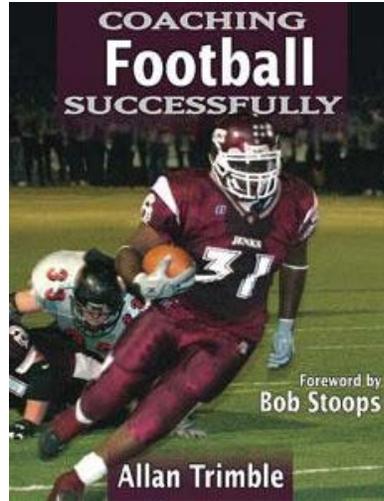

I have found in my coaching career that there are basically four kinds of people in this wonderful world we live in. First, there are the cop-outs. These people set no goals and make no decisions. Second, there are the hold-outs. They have a beautiful dream, but they're afraid to respond to its challenge because they aren't sure they can make it. These people have lost all childlike faith. Third, there are the drop-outs. They start to make their dream come true. They know their role. They set their goals, but when the going gets tough, they quit. They don't pay the toll. Finally, there are the all-

outs. They are the people who know their role. They want and need and are going to be stars: star students, star players, star parents, star waitresses, star coaches, star teachers, star etc. They want to shine out as an inspiration to others. They set their goals. They ask, "How can I live the one life I have and make it something beautiful for God?" Their goals are God-inspired, a team effort. The all-outs never quit. Even when the toll gets heavy, they're dedicated. They're committed.

Better to enter the field of battle with a few all-outs than a million of the other outs. I am so proud of our young men and our coaches and the parents who encourage and inspire them to stick with it. I believe they are learning traits that will benefit them greatly later on in their life. To all of our all-outs I thank you.

Yours in Trojan pride:
Coach Trimble

Trojan Football Booster Club Update

September 2005, President's Letter....

It's here! Football season has finally arrived. The newspapers and television are full of football news, and everybody is talking about the upcoming season. All of the off season work for our players and our booster club is now bearing fruit. Our team events are taking place and our sponsorships are looking strong. Many thanks to our senior class representatives, Anita McLaurin and Ron Jackson, for an outstanding Jenks Stomp, and thanks to our freshman class representatives, Cara Hathaway and Curtis Smith, for another excellent Father-Son Pancake Breakfast. Mike Combs is doing a great job organizing the Trojan Preview and we anticipate another successful Preview (this year featuring Jenks, Sapulpa, Bartlesville, Westmoore and Edmond Memorial).

A few nights ago I watched the movie Remember the Titans on TV. You've probably seen it also, but it is a movie about a football team that overcomes various challenges and pursues a state championship behind the guidance of a great coach. It's a great movie and inspiring story, but it occurred to me how blessed we are to be here at Jenks and get to actually live that kind of experience in real life every year. Go Trojans!

Go Trojans!
