Carpet cleaning

Differentiators

- ❖ *Our green cleaning plan comes with list of environmental products and equipment that is green certified based on EPA guidelines.*
- ❖ *COLOUR-CODED MICROFIBER CLEANING PRODUCTS: This is part of our quality-control initiatives; color coding eliminates the risk of cross infection.*
- ❖ *All service calls are monitored and quickly responded to in a timely manner and records are given to designee.*
- ❖ *We make reasonable efforts to assist every client to prevent hazardous conditions and property damage.*
- ❖ *24-hour emergency contact person. All Staff trained on workplace safety.*
