

SUMMER CAMPS 2021

We are so excited to see you all this summer! Last year we had so much fun making movie musicals and enjoying all the outside time. This summer, we plan on having in person performances at Cowen Park.

If we are in **Phase 3**, our shows will happen outside at the park, each family will be allowed only 2 people to come and watch the performance.

If we move back to **Phase 2**, we will NOT be having live performances, but will be making the shows into movie musicals.
