# PCSS Buprenorphine Training

Friday, July 7, 2023 | 1:00 pm – 5:00 pm in-person 1008 SEB

AAAP is the Data Sponsor for this Buprenorphine Training. [pcss@aaap.org](mailto:pcss@aaap.org)

The PCSS Buprenorphine Training Course covers all evidence-based practices and medications for treating patients with opioid use disorder. Format: Initial 4 hours in-person in room 1008, located at the Saginaw Education Building, 1632 Stone Street, Saginaw, MI 48602. **Please register in advance at: [SUD Training Portal Login](#) and use invitation code: WAIVER-183641-13461.**

All Participants are required to complete an additional 4 hours of training online through the PCSS SUD training portal within 90 days of completing the live session. *This PCSS training (4 hrs in-person/4 hrs online) also meets the new 8-hour Drug Enforcement Administration (DEA) requirement!*

John Hopper, MD, DFASAM, FAAP, FACP

Bernard Noveloso, MD, FAAFP

Juliette Perzhinsky, MD, MSc, FACP, FASAM

At the conclusion of this activity participants should be able to:

- Screen and identify patients with OUD and define evidence-based treatments.
- Discuss the pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients.
- Describe the fundamentals of office-based opioid treatment including the treatment of the co-morbid patient.
- Explain the process of buprenorphine induction as well as stabilization and maintenance.
- Discuss all FDA approved antagonist and agonist medications to treat OUD.
- Discuss basic office protocols including medical record documentation and confidentiality.
- Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD.

**Joint Accreditation Statement:** In support of improving patient care, this activity has been planned and implemented by the American Academy of Addiction Psychiatry and Central Michigan University College of Medicine. American Academy of Addiction Psychiatry is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

*conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.*

**Physician Designation Statement:** American Academy of Addiction Psychiatry designates this Other activity (one portion of this course is an independent online activity and another portion of this course is a live face-to-face educational exchange with a clinical expert trained to present this material) for a maximum of 8 (eight) *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Designation Statement:** American Academy of Addiction Psychiatry is an approved provider of nursing continuing education through AAAP's Joint Accreditation provider # 4008192. This program is approved for up to 8 Nursing Contact Hours.

**PA Designation Statement:**

American Academy of Addiction Psychiatry has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 8 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
