

2021 SHRINK-WRAPPING RATES AND REQUEST

Protect your investment!

- Shrink-wrapping blocks out sun's ultra violet rays, and protects from precipitations.
- Snow slides of plastic so no weight is on the cover.
- Helps keep power plant acidic ash off decks.
- Eliminates the heavy lifting of frames and covers.
- Does not shred and come off like conventional plastic tarps.
- Re-framing included on boats up to 36'LOA (if last years frame is usable and you saved it).
- Wrapping is checked during the winter.
- No charge for disposal of materials.
