We are excited to offer Mini Camps again this summer for our elementary campers! Mini Camps are week-long, themed camps led by a variety of instructors and are from 1:00-4:00 p.m. each afternoon. Campers do not have to be enrolled at MA camp to participate in the Mini Camps. The cost of each Mini Camp is $130 per week, with a discounted rate of $65 per week for campers also enrolled at MA for the week. Mini Camps may be canceled if minimum enrollment is not met. Parents will be notified if it is cancelled and fees for that camp will be refunded.

**Week 1: (June 3-7)**
**Outdoor Adventures**
Instructor: Mark Woodward
Min: 7  Max: 13

Say hello to your favorite summer camp as a kid – outdoors, in the woods, beautiful scenery, and priceless camaraderie. This mini-camp experience takes campers on daily field trips to many of our special “wilderness” places in the Nashville/Brentwood area. Travel destinations include The Little Harpeth River, Edwin and Percy Warner Parks, and Radnor Lake. Walking/athletic shoes are a must. We will be hiking, exploring, observing wildlife where possible, and enjoying nature in the company of friends. Your camper will come home with tired legs and a full heart at the end of each day!

Mrs. Ott challenges the campers to work together to make a debris shelter strong enough for her to use for the camp out on Friday evening. After an incredible week of survival school campers will get to practice what they’ve learned at our very first camp out! How exciting it will be to put their new skills to

Week 9:  
(July 29- August 2)  
_Music & Drama_  
_Instructor:_ Mark Woodward  
_Min: 6   Max: 12_

As a sequel to last summer’s Music & Drama mini-camp, we will be putting on another Imaginary Friends Musical – a musical play to be written by the campers themselves. Campers will don outrageous costumes and create their own characters. We will tie each character together in a storyline and add songs and dialogue to go along. At the end of the week, campers will perform their work for parents and peers.  
(Note: Participation in drama stimulates the creative, right side of the brain, develops memorization skills, and fosters friendship between actors. It can also help in overcoming the fear of public speaking. This mini-camp will be a low-pressure environment with no prior drama experience necessary.)
