

Preconference Workshop

Why do we need the preconference?

Delegate

- Provide input to the Delegate
- Provide a means for the groups/fellowship's voice to be heard
- Provide Area Trusted Servants an opportunity to be informed of the GSC year-long process

The Preconference Assignments

- Assigned for two years
- Assigned on a random basis
- Non-repeating (we hope)

Delegate

What to expect during the Preconference Assembly

Delegate

- Agenda items
 - Last year was available on Feb. 15. Will be somewhere around that time this year.

- Background material

Input to the Delegate

Past Delegate

- ❑ What the Delegate needs
 - Each Committee's recommendation on each Agenda item
 - Reasoning behind each committee's recommendation
- ❑ How the Preconference input was useful for the General Service Conference

Preconference Assembly

DCM

- ❑ How the Districts should handle the Preconference Material and its distribution

- ❑ Preconference Assembly:
 - The Purpose of Preconference Assembly
 - The Process used during the Preconference Assembly
 - The Procedures used for the Preconference Assembly

Preconference Survey

DCM

- Importance of the survey
- Important questions raised in the past:
 - What did you learn about the Conference Process?
 - In what ways do you feel our Delegate is more informed as a result of this process?
 - Do you feel your voice, your group's voice, and your District's voice have been heard during this process? How so?
 - Do you feel more informed? In what way(s)?

The Group

Area 1 Archives Chair

- The importance of the group's input in the Preconference process

- How the group should handle their assignment
 - Someone from the group should go to each Committee Meeting if there is one

 - Members of the group should get together to discuss Agenda items
