EPMA is a 501(c)(3) organization.

January 2019

We're seeking some additional help on our Board!

EPMA is a 501(c)3 organization run by a group of dedicated, cooperative, fun loving individuals. We all work full time jobs in addition to our volunteer work with the group.

Have you been looking to make a difference in the world? Would you like to be involved with a group of women who can help to empower you to do so? Do you wish that puppy mills could be a thing of the past? Are you willing to fight for a brighter future for dogs in Erie by using peaceful, tactful, and factual efforts?

**If you have any interest in being part of the change please e-mail a little about you, how you know us, and why you'd like to get involved to
EriePuppyMillAwareness@gmail.com**

We can't wait to hear from YOU!

A message from our Fundraising Chair, Lisa:

Hi Friends - Lisa here. I wanted to take a minute to let our supporters know that I am officially stepping down as Fundraising Chair and EPMA Board Member. My passion for the mission remains strong, however my personal life requires a great deal of attention right now. I do not feel I have the time nor mental capacity to devote to my duties....and I can't do it half-way!

The decision included much thought and reflection and was reluctantly received by the Board. But fear not - I will be around, volunteering and educating...maybe even helping plan an event or two!

Thank you to EVERYONE that participated with my ideas and continues to support EPMA's efforts to end puppy mills in Erie County.

Want to give me a going away present?!?!?

I challenge everyone reading this to give a Google review of Heartland Pets right now. One-star + the mention of puppy mill sourcing. Remember to be respectful so that readers take you seriously. Just GOOGLE them and click Write a Review.
