The Buddy Walk was developed by the National Down Syndrome Society in 1995 to promote acceptance and awareness of people with Down syndrome.

We encourage people with Down syndrome to invite "buddies"—everyone from friends and family to teachers, legislators, and celebrities—to join the second oldest Buddy Walk in New Mexico. The Buddy Walk will be held as part of the New Mexico State University Homecoming Parade on University Avenue.

Whether you have Down syndrome, know someone who does, or just want to show your support, come and join the Buddy Walk!
