

Little Sunshine Academy

Enrichment Activities

At Little Sunshine Academy, we offer stimulating learning experiences, special events, and extracurricular activities that will educate and excite your kindergartener! Take a look at some of the wonderful enrichment activities we offer at Little Sunshine Academy!

Children can stay fit and have fun as they "Move and Groove" during exciting jazz and hip-hop Dance Classes with Miss Kelly of Kelly's Dance Academy, and practice balance, coordination, and flexibility during our fantastic gymnastic, Jitter-Bug Gym program with Miss Linda!

Lil Sluggers introduces children to the game of baseball in a fun and engaging way using developmentally appropriate equipment. Children acquire baseball skills such as: throwing, catching, hitting, and base running during exciting classes with Coach John!

Your child will be immersed in all aspects of learning as we delve into specialized activities and explore the areas of music, Spanish, Sign Language, art, and character education.

Reading is the gateway to a world of knowledge and imagination, and Little Sunshine Preschool partners with Scholastic Book Clubs to offer Weekly Reader Magazine, which brings science and social studies to life!

Technology is a huge part of the world around us, and your kindergartner will be exposed to exciting opportunities to work with technology at school. We have a computer station with interactive education software that enhances children's classroom learning. Your child will also participate in Little Techs iPad educational lessons! Please see the following pages for more information on Little Techs!

Your child will attend engaging field trips during the year to reinforce what is being learned in the classroom. Field trips give children the opportunity to explore the world around them firsthand and make connections between what is learned in the classroom and what happens in real life.

We offer a delicious pizza lunch each Friday for just \$3.00 per week. Your child will enjoy unlimited pizza and school juice, or you may choose to pack your child's lunchbox as usual. Payment for pizza lunch can be made along with tuition, or paid in cash by Friday.
