Important Notes:

- Minimum \$350 business is required to provide service on location per artist per event.
- A non-refundable deposit of \$100 is required to book each bridal event.
- A separate non-refundable deposit of \$100 is required to book services for other than the bride (e.g., bridesmaids and family members).
- We will accept **only cash** or **credit card** for final balance due on the day of the event before starting any services.
- For any reason if you are late for your appointment or if you make us wait more than 20 minutes, \$30 charge will apply for every 30 minutes. Please let us know ahead a time if you need to change your appointment time. If you change your appointment time and location one day before or same day of your event, \$50 inconvenience fee will apply
- We do not provide any decorative/designer hair accessories, flowers, hair extensions, or hair sponges. (We will bring all necessary products for hair styling like bobby pins, hair sprays, curling irons, rubber bands and all necessary makeup for makeup application and safety pins for sari draping)
- Hair needs to be washed and completely dried before hair styling appointment. If your hair is wet and if we have to blow dry, \$20 extra charge will apply.
- If you use any hair extensions, \$20 extra charge will apply.(Doesn't apply to bridal hair, only applies to family/bridesmaids hair)
- Do not apply any heavy oily moisturizer before your makeup appointment and do not take shower right before your makeup appointment. If you are sweating makeup will not stick properly.
- Keep the room cool where you are planning to do your makeup otherwise makeup won't stick to your skin properly. During summer time, when it's hot and humid, AC is required during makeup application.
- We recommend full face threading and skin exfoliation few days before makeup application for a flow less makeup application.
- Manicure, pedicure and body waxing should be done before Mehndi application.
