

# NO HESITATION

Rachael Martin 11,9,2015

Every decision that God has ever made or will ever make is calculated. God doesn't make mistakes. God has a reason for everything He does. He has a master plan for all that will ever be to the end of whatever will be. He is motivated by His love for us, His creation. According to **John 3:16**, God has such a love for us that He made sure that His plan was foolproof.

The definition of foolproof: done, made, or planned so well that nothing can go wrong

Synonyms for foolproof are: infallible, dependable, reliable, trustworthy, certain, and sure to name a few. I think these attributes pretty much define God's character and He seals His foolproof plan with the birth, life, death, and resurrection of Jesus Christ, His Son and the Redeemer and Lover of our souls. When we are so far from sure about anything in life, these are truths that we can count on and there are plenty more as you search it out.

Is as much as God is faithful, He continues to grow us and lead us to a place where we can move forward in obedience to His calling, in obedience to His word, in obedience to Holy Spirit leading us and helping us mature to a place where we aren't so easily swayed by doubt and unbelief.

When reading (**Luke 9:62**) about plowing the fields and moving forward in faith, I read a little of *Matthew Henry's Commentary* which talks about this verse in that those who look back while they are trying to move forward will run the risk of making mistakes more often. As well looking back will give you more of a reason to quit and lastly, it is very important to not hesitate in breaking up the fallow ground in front of us to allow for so many things the Lord wants to do in planting seeds in our life.

My prayer this week for us is that we would not be moved by what we see – but that we would stand strong on what we know to be the truths of His Word that never change. I pray that we will each work this week on acting in obedience, (the 1<sup>st</sup> time) because as the days draw near, those who continue to look back will not be fit for His kingdom that knows no end.

*Father, forgive me for my doubt and unbelief. Forgive me where I have hesitated even when I've known it was You leading me. Lord, I desire to move freely in You and the truth of Your word. I want to come to a place where I don't hesitate when You call on me, that I can follow You in total abandonment because I trust You. Lord I give You my thoughts, my heart, my time and I ask that You would make beautiful things out of my life. I aim to look forward and not hesitate as I focus on what Your word says. I know You are faithful – thank You so much for Your love for me. I love you back as much as I know to and pray you take me further still ~ without hesitation ~ in Jesus name, Amen.*
